

## Newark Business Club Terms & Conditions

Membership of Newark Business Club is open to all who do business in Newark and the surrounding area, or who have an interest in developing and maintaining a sound business, retail and community infrastructure in the area. Membership is open to all, including individuals, students, business, not-for-profit, governmental and charitable organisations.

Membership is free, but there is a fee (currently £5 at December 2011) for each meeting you attend, as a contribution towards club funds and coffee. There is no obligation to be a member to attend meetings, nor a minimum number of meetings to attend. A formal receipt can be provided for this on application at the time of payment.

Formal membership allows your name to be listed as a member of the Newark Business Club website and to take advantage of various offers and benefits that are available, from time to time. Membership applications should be made online at [www.newarkbusinessclub.co.uk](http://www.newarkbusinessclub.co.uk) and are subject to formal approval by designated officers from the Club's executive committee. Approval is normally granted within 48 hours of application. If you have not had a response to your application within 5 days, or wish to appeal against any decision, you may contact the club's chairman [here](#). The decision of the full executive committee, subject to any appeal, is final.

By completing the application form you are allowing the Club to contact you for the purpose of informing you of club meetings, providing reports of club events and, from time to time, of any other point of interest in which we believe you may be interested. Your details will not be sold or given away to any third party without your express consent. You may opt out of receiving emails from us at any time.

Members undertake not to use the membership list for the purpose of spamming members, nor to speak nor write as a representative of the Club unless this has been formally agreed. Membership may be cancelled or withheld at the Executive Committee's absolute discretion. If you have any question about the workings of the Club, you are encouraged to attend a meeting or to [email the secretary](#).
